**PROGRAMS OFFERINGS:**

**CERTIFICATION IN SPORTS & ORTHOPEDIC MANUAL THERAPY**  
**ORTHOPEDIC PT RESIDENCY**  
**FELLOWSHIP IN SPORTS & ORTHOPEDIC MANUAL THERAPY**  
**DRY NEEDLING**

The goal of the IAR Programs is to create clinicians who possess an unsurpassed efficiency in managing both the orthopedic and sports population, while fostering continued professional growth to develop exceptional clinical leaders in the areas of patient care, teaching, mentoring, and research.

Our programs offer a superior combination of intense didactic and clinical mentoring experience in a hybrid format consisting of an interactive online platform combined with dynamic weekend intensives emphasizing hands on application examination and intervention strategies.

All programs are part time to allow the clinician flexibility and control of their schedule and progression through the courses at their own preferred pace.

We are accepting applications NOW for all our upcoming Spring 2020 cohorts!

There is no better time than now to improve your clinical skills, patient outcomes, and elevate your position in the profession by investing in yourself. Get full details at the website below.
